## Hand Made Sinks

Our handmade sinks are designed to reimagine your kitchen workspace. Enjoy the best of both worlds with an easy to clean matt finished surface and an easy to install undermount bowl design. Our sinks complement both traditional as well as modern kitchen designs. These sinks are meticulously hand crafted and blend unparalleled quality with modern stainless steel appearance. Thus, offering a sizable and stylish workplace to complete your kitchen tasks. As these sinks are manufactured by hand, they have larger capacity owing to the sharper angles at the bottom.

We manufacture all its sinks in house with the latest welding technology allowing us to consistently provide our customers with the best quality handmade sinks. Neelkanth proudly carries the largest offering of hand made sinks in India, catering to each and every customer's needs.
